

# Costs Advance Scheme

## An innovative way to release Cash into your Practice

- A Unique scheme offered by Just Costs Solicitors and Hampshire Trust under which you **receive 70% of your profit costs** and disbursements within days of Just Costs receiving your file for costing!

### Key features include

- **70% of your billed profit costs and paid disbursements** electronically transferred to your office account **within days** of Just Costs preparing a preliminary assessment of your costs
- You don't have to accept silly offers – the scheme **promotes strong positive cash flow** and so negates or reduces the pressure to compromise and thus **maximises entitlement to costs**
- **No repayment until case settles – keeps cash flow strong**
- **Competitive charges** deferred until settlement cheque received – **offset** by better settlements, interest payments to or by your bank and interest on costs pursuant to statute
- Available for all forms of legal work not just Personal Injury matters
- Increased Income – success fees recovered on Just Costs work are passed on to the solicitor-client.
